Comments regarding questions 7, 8 & 9:

Question 7 - A Stake Enforcement program was not implemented this year due to a variety of circumstances. These circumstances include a late start while waiting for the budget revision approval which impacted hiring staff, the change in staff at the local Sheriff's Department, and waiting for the contracted partners staff to verify proper training/certification for new staff (NICPP) to run STAKE program

Comments regarding questions 14 & 15:

Very difficult to quantify how many students use the above services as they are all online, phone line or phone applications. Each staff member has a stack of referral cards listing all cessation services which are given to the students and or students stop by to pick them up on their own. While the above numbers reflect the students who have shared they engaged in cessation services, there are many students who do not share they have reached out to the listed organizations for cessation.
